OFF PROGRAM

Discover the vibrant cultural scene of Brussels during AROUND VIDEO - Art Fair. Immerse yourself in a diverse array of exhibitions and cultural events that showcase the city's artistic essence. Uncover the hidden gems and artistic expressions that make Brussels a hub of creativity and inspiration.

@Cloud Seven, Rooms of Resonance

It is an exhibition curated by Benedicte Goesaert and Chantal Pattyn at Cloud Seven. It showcases video art and works by various artists, aiming to celebrate life and beauty while exploring connections with oneself, others, and the world in these disruptive times.

More information [here](#).

@ KANAL, Façade: Anne-MIE VaN Kerckhoven

For FAÇADE's second edition, Anne-Mie Van Kerckhoven (AMVK) honors the city with monumental works on the future KANAL-Centre Pompidou museum building's scaffolding. Her vivid, layered style and feminist, socially critical approach depict Brussels' essence and history.

More information [here](#).

@ Fondation CAB, Quinquagesimum by Albert Baronian

Fondation CAB celebrates Albert Baronian's 50th gallery anniversary with "Quinquagesimum," Sept 7 - Nov 25, 2023. The exhibit homage its history, featuring works by thirty key artists, highlighting contemporary art icons and their impact on Brussels and Europe.

More information [here](#).

@ WIELS, Francis Alÿs, The Nature of the Game.

Francis Alÿs has documented children playing in various locations since 1999. His recent work showcases filmed games during the pandemic in different countries, along with small paintings. These are juxtaposed with his earlier film where children revive an ancient city using bird calls.
